Based on the survey of 1000+ OnlyFans creators some shocking statistics were discovered. 18% of creators reported receiving requests to perform sexual incest acts & 31% of creators reported receiving requests for extreme fetish content including bestiality!

So, buckle up and prepare to be shocked by what goes on behind the closed DMs of OnlyFans creators.

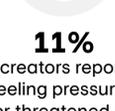

Asking for custom videos or photos that depict violent or non-consensual acts

21%
of creators reported receiving requests for violent or non-consensual content

95%
of those requests were deemed inappropriate and declined by the creator

11%
of creators reported feeling pressured or threatened by these requests

I absolutely will not stand for any requests for violent or non-consensual content. My priority is to maintain a welcoming and safe space for all of my subscribers, and I will not tolerate anything less than that.

Offering large sums of money for intimate encounters, marriage, or asking to move in together

55%
of creators reported receiving offers of money for intimate encounters or marriage

100%
of those offers were deemed inappropriate and declined by the creator

14%
of creators reported feeling pressured or threatened by these offers

One of my subscribers was obsessed with the idea of us getting married, at first I didn't think much of it but as time went on he became more and more aggressive! I started to get a little worried he was developing into a stalker so I blocked him from my account

Requesting personal information, such as phone numbers or addresses, for stalking or harassment purposes.

34%
of creators reported receiving requests for personal information for stalking or harassment purposes

100%
of those requests were deemed inappropriate and declined by the creator

22%
of creators reported feeling pressured or threatened by these requests

It's unacceptable and downright creepy to ask for personal information like phone numbers or addresses. As a creator, my priority is to maintain a safe and respectful relationship with my subs

Offering large sums of money for illegal activities, such as drug use or prostitution

35%
of creators reported receiving offers of money for illegal activities

99%
of those offers were deemed inappropriate and declined by the creator

17%
of creators reported feeling pressured or threatened by these offers

I steer clear of any illegal activities on my platform. My content is solely for entertainment purposes and should never be taken as an endorsement of illegal behavior.

- OnlyFans creator testimonial.

Requesting to be dominated or humiliated in extreme ways that go beyond the creator's comfort level

42%
of creators reported receiving requests for extreme domination or humiliation content

96%
of those requests were deemed inappropriate and declined by the creator

3%
of creators reported feeling pressured or threatened by these requests

Recently, I received a request from a subscriber to engage in extreme domination and humiliation that went far beyond what I am comfortable with. While it can be difficult to turn down offers of large sums of money, my personal safety is more important to me than anything else

Requesting to perform sexual Incest acts with parents, siblings, & other family members

18%
of creators reported receiving requests to perform sexual incest acts

100%
of those requests were deemed inappropriate and declined by the creator

5%
of creators reported feeling pressured or threatened by these requests

One subscriber totally crossed the line and requested a video that involved my brother or dad!! I was totally grossed out in more than one way and won't share the details. Not only did I ban the subscriber I named and shamed him in a private creators group. Dont want that creep lurking in other girls' accounts.

Requesting extreme fetish content such as Bestiality, splinging, Autonepiophilia & Sadism.

31%
of creators reported receiving requests for extreme fetish content

99%
of those requests were deemed inappropriate and declined by the creator

8%
of creators reported feeling pressured or threatened by these requests

One of my subscribers asked for videos of me engaging in bestiality with a dog. I was completely disgusted, and I immediately blocked him. It's scary to think that there are people out there who get off on such extreme and disturbing fetishes.

- OnlyFans creator testimonial.

Offering to pay for the creator's body parts or bodily fluids, such as saliva, Urine & fecal matter

17%
of creators reported receiving offers of money for their body parts or bodily fluids

88%
of those offers were deemed inappropriate and declined by the creator

2%
of creators reported feeling pressured or threatened by these offers

One specific client wanted me to send a jar of saliva, I was open to the idea and actually did it but things started to escalate quickly! Next, he wanted me to send my poop in the mail, and that's when all communication stopped. Had no idea some people were into this and couldn't imagine how the post office would have felt.
